RE: AHERA Information Report
DATE: September 20, 2017

Annual updated compliance notification (2017-2018)

This is the annual updated compliance letter required by the Asbestos Hazard Emergency Response Act (AHERA). New Bloomfield R-III School District is committed to remaining a safe and healthy environment for all children, employees and guests in our schools. In accordance with the Asbestos Hazard Emergency Response Act (AHERA), New Bloomfield R-III School District inspects each school building for asbestos containing materials. Management plans have been developed outlining how asbestos containing materials will be handled in each school building. The district monitors, inspects and repairs any asbestos containing materials. The most recent inspection was performed on July 14, 2017

. Copies of the district's management plan and inspection reports are available upon request for review at each school office.

If you would like more information regarding the AHERA program, please contact the designated person at the main office of the school district.
